Dear Vendor,

We are excited to share that **2026 marks the 50th Anniversary of John A. Logan College AutumnFest!** We would be honored to have you help us celebrate this milestone by showcasing your handcrafted, boutique, or unique merchandise as one of our valued vendors.

As many of you know, John A. Logan College has begun a major construction project on the west side of campus to expand lobby and office space. This renovation will continue through Spring 2027 and will significantly limit access to the gymnasium, conference center, and other areas traditionally used for AutumnFest.

To ensure a smooth and successful event, we have partnered with **Thrillhouse Event Center in Marion**, which is developing an impressive new venue in the former mall location. The available square footage is even larger than our space at the College, and all vendors will be located together in one central area—making it easier for customers to browse and enjoy all exhibits

**Please note our new event dates and location:
Saturday, November 14, and Sunday, November 15, 2026 at the Thrillhouse Event Center, Marion.**

Booth spaces cost is \$150.00 for a **10' x 10' spot**. **Tables and chairs will be available at an additional cost.** Friday will be reserved for vendor move-in and setup. The Thrillhouse Event Center offers convenient loading access, ample parking, and a spacious layout to support a comfortable vendor experience.

We believe this new venue will be a **win-win for both vendors and guests**. Just outside the event area, visitors will find a lounge, a two-story restaurant, arcade games, laser tag, a two-level go-kart track, ax throwing, bowling, goofy golf and additional shopping opportunities—making this a fun-filled weekend for the entire family. We are also working with Thrillhouse and the AutumnFest staff to provide additional perks for both vendors and guests.

The application is posted on our website and you can fill it out online. We encourage you to submit it early, as spaces will fill quickly. Booth payments may be made through the **JALC Bursar's Office at 618-985-2828 ext. 8201**. If you have any questions, please feel free to contact the **Events and Conferences Office**.

Thank you for your past participation and continued support. We hope you will join us in celebrating this special 50th anniversary of AutumnFest and 250th anniversary of our country!

Warm regards,

John A. Logan College Events & Conferences Office
